Umair Abbas.

PREMIUM MARKUP — FOUNDER & LEAD DESIGNER

I design **brand systems**, **training visuals** and **websites** for teams who need to look as sharp as the work they do. Seven years across branding, marketing, e-learning and hand-coded web experiences for clients in the **US, UK and Pakistan** — owning every project from first idea to launch.

DISCIPLINES, ONE PRACTICE

EXPERIENCE

Founder · Lead Designer & Developer — Premium Markup

2019 — NOW

- Run an independent design & front-end practice: brand identity, marketing and social campaigns, e-learning visuals and hand-coded websites.
- Long-standing design vendor to US security & private-investigation firms, training academies, hospitality and product brands.
- Own each engagement end-to-end — strategy, design, front-end build, launch and iteration.

Brand & Marketing Designer — Freelance engagements

2018 — 2021

- Logo systems, ad sets, certificates and course covers for restaurant, real-estate, tech and e-learning clients.
- Built visual systems consistent across print, social and web.
